

NEWS RELEASE – FOR IMMEDIATE RELEASE 09.04.2025

## MG Delivers “More” with the Revolutionary MGS5 EV SUV in Singapore

**Singapore, 9 April 2025** – Redefining electric mobility, Eurokars EV Pte Ltd (“Eurokars EV”), a subsidiary of Eurokars Group and the official dealer of MG vehicles in Singapore, proudly unveils the all-new MGS5 EV SUV. This launch marks a significant leap in the automotive landscape, showcasing MG’s commitment to innovative design, exceptional performance, and intelligent connectivity, tailored for the dynamic lifestyles of modern drivers.

Against the vibrant backdrop of Suntec City, MG’s promise of “More to MG” came to life with the unveiling of the MG S5 EV – delivering enhanced freedom, seamless connectivity, and unparalleled value to anyone seeking an elevated driving experience.

*“The MG S5 EV isn’t just another urban electric SUV; it’s a strategic leap, masterfully blending aesthetic appeal, practical utility, and cutting-edge technology, perfectly aligned with our market’s demands,”* stated Mr. Raymond Ng, Managing Director of Eurokars EV. *“Meticulously crafted, precisely engineered, and boasting a full spectrum of advanced capabilities, it is the definitive vehicle for every journey – and, critically, it outperforms the segment’s leading model across all key performance indicators.”*

### All-New MGS5 EV: More Than You Expect

#### Design that Moves You

The MGS5 EV embodies MG’s new emotional design ethos, featuring sleek proportions, sophisticated details, and aerodynamic efficiency. Exterior colour choices include Soul Blue, Flare Red, Andes Gray, and York White, complemented by premium interior themes of White & Beige or classic Black.

#### Space for Every Adventure

Boasting an extended wheelbase and best-in-class interior space, the MGS5 EV delivers exceptional comfort and practicality, including 453 litres of boot space, expandable to an impressive 1,441 litres with the rear seats folded – ideal for both everyday journeys and family adventures.

#### Performance Meets Precision

Equipped with a responsive 99kW rear-wheel drive motor and 250Nm torque, the MGS5 EV accelerates from 0-100 km/h in just 9.9 seconds. Featuring agile handling with a turning radius of 10.53m and robust braking power (stopping from 100 km/h in 35.5m), it promises a confident driving experience.

#### Go Further, Charge Smarter

Powered by a 62kWh battery, the MGS5 EV delivers a substantial range of 425km (WLTP combined) and 560km (city driving). Its rapid DC charging capability replenishes battery life from 10% to 80% in just 26 minutes, minimising downtime and maximising freedom.

#### Smart Connectivity at Your Fingertips

The advanced technology within the MGS5 EV offers intuitive usability and immersive connectivity. Features include a 10.25" digital driver's display, a 12.8" HD touchscreen centre console with wireless Apple CarPlay, Android Auto, and integrated Spotify, YouTube, and TikTok apps. Additionally, the MG iSMART app provides remote vehicle management and real-time status monitoring.

#### Advanced Safety, Assured Confidence

Safety remains paramount with MG Pilot, a comprehensive suite of 16 Advanced Driver Assistance Systems (ADAS), including Adaptive Cruise Control, Automatic Emergency Braking, Blind Spot Monitoring, and Rear Cross Traffic Braking. The MGS5 EV's rigid body, engineered to meet EURO NCAP 5-star standards, along with seven airbags and four pretensioner seatbelts, ensures unmatched occupant protection.
